creative 4D™ ExpressMonogram Wizard

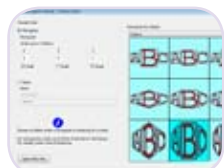

Create unique monograms that show your style and personality. For that extra touch, embellish them with decorative frames and flourishes.

Create one, two or three letter monograms simply.

- Use one of 500 Envelope shapes as a template to generate your monogram. Each monogram style has its own grouping of envelope shapes that are made especially for the number of letters you choose. Plus choose if you want Full or Small size letters for each of the letters in the monogram.
- Enjoy 10 new specially created Classic Monogram fonts and the new Three-Color Trellis font. Plus use over 100 embroidery fonts that are available in your *creative 4D™* Embroidery or *creative 4D™* Embroidery Extra software.
- Make a monogram appliqué patch with the appliqué and laurel shields. Perfect for jackets and golf shirts.

Complement your monograms with Names fashioned in the 4D™ ExpressMonogram Wizard.

- Choose a distinctive first letter that enhances your name lettering style options.
- Vary the orientation of the first letter to the name letters. Adjust the name letters up or down compared to the first letter. Step the letters so they are stitched diagonally or vertically as well as horizontally to the first letter.

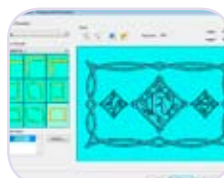

The ExpressMonogram Wizard guides you step by step through all the settings to create your own beautiful monograms.

Beautiful Trellis font is used in this simple two-letter monogram with an oval appliqué frame surrounding it.

Use spacing options to move characters and produce intricate interlocking monograms.

Print a real size worksheet that includes design size information in metric or English units.

- Thread color information for your chosen threads and the stitch count for each thread color are also printed on the worksheet. The *creative 4D™* Embroidery System allows you to see specialty threads (metallic, variegated and multicolor, different thread weights) all in 3-dimensional reality on screen and as you print.
- Informational notes will assist you if you wish to recreate your monogram later or you can save the monogram file and reload it.
- *creative 4D™* Embroidery Extra and *creative 4D™* Suite owners! View your monograms in *creative 4D™* Vision (Included with *creative 4D™* Embroidery Extra. Not available for *creative 4D™* Embroidery.) Place your monograms or words on a template to help with placement or use one of the other backgrounds already available.
- 120 new backgrounds are provided! Alternatively, take a picture on your digital camera or cell phone so you can preview your embroidery on your own real-size background.
