

4D™ MONOGRAM & VISION

Create unique monograms that show your style and personality. For that extra touch, embellish them with decorative frames and flourishes.

Use the 4D™ ExpressMonogram Wizard to create one, two or three letter monograms instantly.

- Use one of 500 Envelope shapes as a template.
- Enjoy 60 wonderful fonts including 10 Classic Monogram fonts and 7 Multi-Color fonts.
- Create a Border around your monogram automatically with satin stitch, running or triple line or even embroidery machine stitches.

Use Names made in the 4D™ ExpressMonogram Wizard to enhance your monograms.

- Choose a distinctive first letter that enhances your name.
- Adjust the name letters up or down compared to the first letter; even change the angle!

Make a statement!

With the 4D™ MONOGRAM & VISION you can easily create a decorative label out of your statement.

This environmentally friendly shopping bag uses the Curly L with the Square Serif font for the words "Love" and "our", Carlton font in different sizes enhances the word "Planet".

Create a Border around your monogram with embroidery machine motifs.

The ExpressMonogram Wizard guides you step by step through all the settings to create your own beautiful monograms.

Beautiful Trellis font is used in this simple two-letter monogram with an oval appliqué frame surrounding it.

Use spacing options to move characters and produce intricate interlocking monograms.

DONGLE INCLUDED WITH SOFTWARE!

Embellish your special monogram or name with frames and flourishes.

- Use one of 630 Corners, Frames, Flourishes and Side Piece embroideries to craft a unique monogram that shows your style and personality.
- Classic laurel wreath, contemporary, candlewick or appliqué frames are 4 of the many styles included.

Print a real size worksheet that includes design size information in metric or English units and thread color details.

- Informational notes will assist you if you wish to recreate your monogram later, or you can save the monogram file and reload it.

View your monogram or name on your choice of backgrounds.

- Choose one of the 540 backgrounds that are included in 4D™ Monogram & Vision.
- Take a picture of your own garment with your digital camera or cell phone and import into 4D™ Monogram & Vision. The wizard helps you to make your garment real size so you can see exactly what your design will look like before you stitch out.
